

Although times are not as good as most of us desire and Hams generally shy of funds for radio junk, the Indianapolis gang has assembled a sizable collection of prizes. From present indications the number will exceed that of any previous meeting.

A careful reading of the program will show a list of excellent features. A minimum of time has been assigned to each talk and demonstration. For that reason everything will move rapidly. There will not be any tiresome gaps and those who accept the invitation to attend can be assured that the time schedule will be closely adhered to.

The registration booth will be located in the Club Rooms, 460 Century Building.

Nerts

Hoosier Hamfest

Indianapolis
October 15-16
1932.

10th ANNUAL MEET.
