Highlights from the December Meeting:

This was the club's annual Christmas Holiday Pitch-In gathering. The club Polo shirts were available for pick up for those that had ordered them. There were 49 members, friends, and family members in attendance. Those present enjoyed a meal of Fried Chicken, provided by the club, and many side dishes, entrees, and desserts, provided by members. Many door prizes were given away, including the Grand Prize of a \$100 DX Engineering gift certificate, won by new ham and new club member Cindy Vrabel, KE9BZK. There was also a 50/50 drawing, won once again by the Wayne Michael, AC9HP family.

INDY RADIO CLUB DUES ARE PAYABLE NOW

Don't forget to pay your Indianapolis Radio Club dues. Individual dues are still only \$20 per year. The easiest way to pay is to go to use the PayPal widget at <https://tinyurl.com/irc-dues-payment>

Be sure to include your callsign with your submission. Remember that you can pay multiple years if you would like. Your dues enable the club to continue activities such as VE testing, new Amateur outreach, and club POTA events.

ONE DAY TECH CLASS AND TESTING COMING UP

Watch your email for details on a one-day Technician class and testing session, presented by David Spoelstra, N9KT and Jim Rinehart, K9RU. The class and testing will be an all-day session, coming up in the first quarter of 2025. David and Jim have had great success with this type of session in the past. So, if you know someone that wants to get into the hobby, let them know.

WAYS TO SUPPORT THE IRC

You can support the Indianapolis Radio Club in any, or all, of these four ways:

1. Join the club. Your annual membership dues (\$20 for an individual, \$30 for a family (in the same household), or \$10 for a student, with valid ID) help support the club in its mission to promote our hobby by sponsoring monthly VE testing sessions, reaching out to new licensees, and welcoming them to the hobby. The easiest way to join is to go to <https://tinyurl.com/irc-dues-payment> and complete the process through PayPal.
2. Pay your ARRL membership dues through the IRC, utilizing the Club Commission program. The club will get a \$5 commission for renewals, or a \$20 commission for new memberships. Fill out the form available at <https://tinyurl.com/ARRL-membership-form> and send it, along with payment, to club treasurer, KJ9B. Or fill out one of the forms at an in-person meeting.
3. Join the Kroger Community Rewards program (it's free!) by going to <https://www.kroger.com/i/community/community-rewards> and designating the Indianapolis Radio Club as the charity you want to support. The club then gets a quarterly donation from Kroger based on a percentage of the amount spent by those supporting the club.
4. If applicable, donate part or all of your Required Minimum Distribution (RMD) to the Indianapolis Radio Club, a 501(c)(3) charity.

If you have any questions about any of the above, please contact Ken Bandy, KJ9B, at treasurer@indyradioclub.org.

Signals from the Past:

From the December, 1964 *Amachewer*:

Excerpt from “20 YEARS AGO” by Bob Caskey W9DNQ:

It was just about 20 years ago that the club had to vacate the Insley building, and President Leroy Waggoner, in a letter to the club members published in *Ama-Chewer*, bemoaned the lack of attendance at the meetings then being held in the Cropsey Auditorium at the Public Library. Some blame was laid to the fact that there was no smoking permitted and the fact that it was not downtown where all the street car lines passed close. (Remember this was during rationing.) As a result, the club directors decided to hold a series of meetings at the Warren Hotel.
